Learn 2 Mix is an educational project designed to help you get started in the world of *DJing*. It consists of several steps using various free software tools.

Learn 2 Mix contains an e-book in EXE format, commercially known as **DJ Sutra**. *DJ Sutra* is based on *DJ ProMixer* but can be used as a standalone program or as a plug-in.

The first part of the project focuses on theory and includes a book that allows you to begin without any prior knowledge. In this section, you will learn the fundamental concepts of mixing.

We should learn the basics of mixing and have some initial knowledge before starting to mix with DJ software.

DJ Sutra is based on one of the most popular DJ software on the Internet (**DJ ProMixer**) and provides us with fundamental usage knowledge.

DJ Sutra is a completely free e-book, and it guarantees the user to be able to mix correctly, also providing complementary free software to learn how to be a DJ without cost.

Written by **Ralf M**, programming by **J.M. Ramos** and prologue by **Mike Platinas** (creator of the *Max Mix* series). DJ Sutra is a clear, concise and above all practical work to learn to mix.

242 pages in two languages (Spanish and English), in free download to learn how to mix easily.

DJ Sutra is based on *DJ ProMixer* software bundle.

Download and get for free the e-book (*Lite Version*) and upgrade for free to full version (*Premium Version*).

Learn 2 Mix offers two modes: **LITE** and **PREMIUM**, both of which are entirely **FREE**.

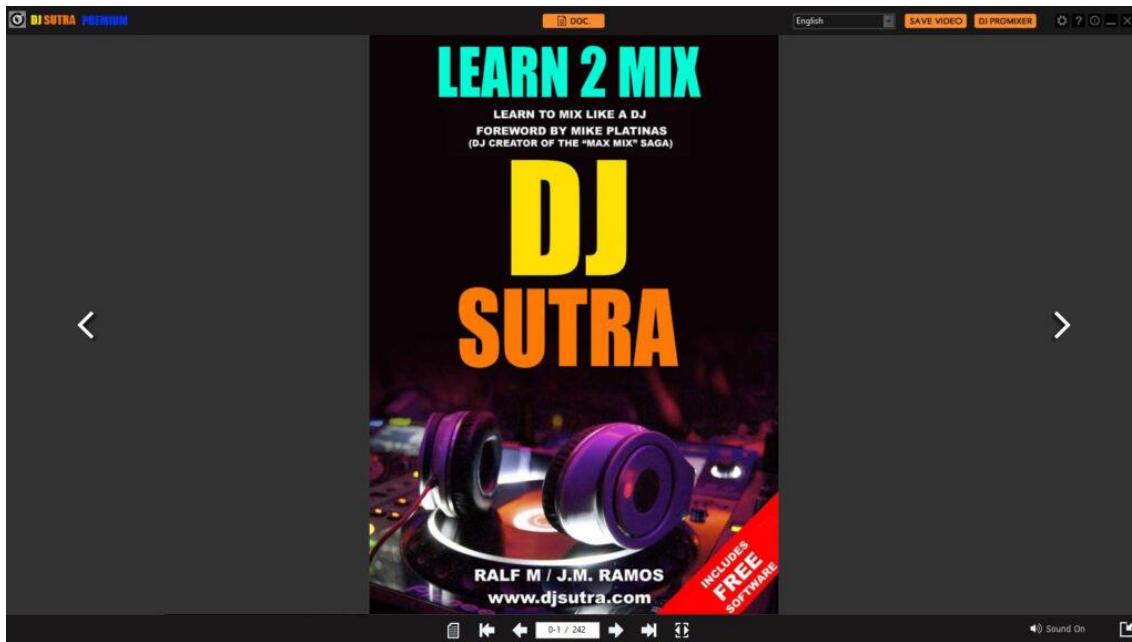

NO PAYMENT REQUIRED TO CONVERT TO PREMIUM VERSION.

In return for some of the premium features of Learn 2 Mix, you may choose to be a peer on the Bright Data network. By doing so you agree to have read and accepted the Terms of Service of the Bright Data SDK EULA: <https://bright-sdk.com/eula> and Bright Data's Privacy Policy: <https://bright-sdk.com/privacy-policy>.

You may opt out of the Bright Data network by clicking "LITE" version on the "Activation Screen" of Learn 2 Mix application.

FEATURES

Once the program is installed, the e-book will run, and by default, it will appear maximized on the screen. In *DJ Sutra*, you will find the following features.

- **Activation Status:** (Lite / Premium).
- **Text format selector:** (e-book / PDF).
- **Language selector:** (English / Spanish).
- **Free additional software included:** (*Save Video / DJ ProMixer*).
- **Application utility buttons.**
- **Turn the page.**
- **Go to the beginning / end of the book.**
- **Current pages / Total Pages.**
- **Zoom** (Only available in PDF format).

How do these software interact?

All the software are independent and free, and they interact with each other with the intention of teaching the user an easy and fast way to learn DJ techniques.

TRANSLATORS**GET INVOLVED: HELP MORE PEOPLE TO LEARN TO MIX**

We are pleased to offer DJ Sutra in English and Spanish languages, so we need your help to spread DJ Sutra with translations in more languages. Your name and info will be in futures editions. You can help translate visiting our translation page at Forum. [CONTACT HERE](#)
